## Applying for an Australia Awards Scholarship

### Australia Awards Scholarships in the Maldives

Australia's international development assistance in the Maldives aims to contribute to long term development needs. It aims to promote growth and stability and strengthen human resource capacity in areas that have been mutually agreed by the Government of Australia and the Government of the Maldives.

Australia Awards are prestigious international scholarships offered by the Australian Government to the next generation of global leaders for development. Through study and research, recipients develop the skills and knowledge to drive change and help build enduring people-to-people links with Australia.
